

Dear Churches of Caithness

I'd like to invite you and your members to a lively, inter-active course coming up in Wick in **June 2019**.

You may know of *Hearing the Word* - a process that helps Christians and others to read the Bible for themselves. This useful tool lets you equip and encourage your people to look at a Bible passage, alone and/or in groups. It also lets you integrate each week's group study with your Sunday preaching series.

The easiest 'way in' is by attending an Introduction Course. There is one in Pulteneytown Church on **7/8 June 2019** Friday evening 7.30-9.15 and Sat morning 9.30 – 12.30. Cost of Workbook, including 6 Follow-on Studies, is to be covered by Pulteneytown and Thrumster Church. The greatest benefit is seen when minister and some members do it together.

It may be possible for us to present a course *for* you at a later date. Or you could *do it yourself*: The Manual (£10.00) gives the presenter's full script with slides to download (MS PowerPoint or Apple Keynote, 4:3 or 16:9)

Thereafter, Study Guides exist for various styles of Biblical writing:

**Law:** Leviticus  
**Poetry:** Psalms Vol I: 19, 22, 23, 42, 51, 122 & 150  
**Prophecy:** Amos; Jonah; Isaiah; (Ezekiel soon)  
**Letters:** 2 Corinthians, Philippians; Colossians.  
**Apocalyptic** Daniel 1-6; 7-12;  
**Narrative:** Life of Joseph (Gen 37-50); Luke in 12 booklets; John *Seven signs*

Workbooks cost £2.50 each, Leader's Guide £3.00, plus postage.

Yours sincerely,

Nigel Barge
